

## PLACER HIGH SCHOOL HALL OF FAME

Dear Community Member:

The purpose of the Placer High School Hall of Fame is to honor exemplary alumni and staff and to use their outstanding accomplishments as an inspiration for current and future students.

-Each student must have attended Placer High School for a minimum of two years and graduated from Placer High School a minimum of five years prior to nomination.

-Each staff or faculty member must have taught, worked, or coached a minimum of 10 years and retired a minimum of 5 years prior to nomination.

The nominee must have made a significant contribution during their high school, career, and community service life. The committee weights all three areas during our nominee review. The committee is fortunate to receive multiple nominations annually. The nomination forms are to be used as a guideline and quick reference for you and the committee.

To assure your nominee is given the consideration they deserve and stress the importance of supplying detailed information we ask that you attach a resume, photos, copies of awards, news articles, and any other information to your nomination packet. Your letter of recommendation, which should highlight the accomplishments and justification for your candidate's induction to the Hall of Fame, is required. Please include two (2) additional letters, which may include information for one or more of the criteria areas: High School, College/Career, and Community Service to help with the committee's decision.

Please find enclosed the Placer High School Hall of Fame nomination form.
